

EVERYTHING YOU NEED TO KNOW ABOUT TiNDLE

TiNDLE is a mind-blowing experience made from plants that’s ridiculously good. As team members who interact with customers every day, the answers below will help you with any questions they may have.

WHAT IS TiNDLE?

TiNDLE is chicken made from plants that smells and tastes unbelievably like chicken.

GIVE ME REASONS WHY I SHOULD TRY TiNDLE?

It’s delicious.

It tastes just like chicken.

It’s made for people who love meat.

WHY DOES IT TASTE SO MUCH LIKE CHICKEN?

TiNDLE is made with Lipi™: a unique blend of all-natural plant-based fats & flavour that recreates the taste and aroma of chicken.

WHAT’S IN IT?

TiNDLE is made with mainly water, soy, coconut oil and the magic ingredient – Lipi™.

IS IT NUTRITIOUS?

Every 100g of TiNDLE contains 16.9g of protein. What’s more, it does not contain GMO ingredients.

IS IT VEGAN?

Even though it’s made with meat-lovers in mind, anyone and everyone can enjoy TiNDLE.

* Note: the team should check with the kitchen to see if the whole dish is vegan – that it does not include any other animal products such as butter or cheese.

Servings Per Package: Approx. 80 Serving Size: 50g (1 Patty) NUTRITION INFORMATION*		
	Per Serving	Per 100g
Energy	60kcal 252kJ	120kcal 504kJ

– Total Sugar	0g	0g
Dietary Fibre	3.8g	7.6g
Sodium	88mg	175mg

IS IT HALAL?

TiNDLE is produced in a Halal certified* factory.

*By Halal Feed and Food Inspection Authority.

DOES IT CONTAIN ANY ALLERGENS?

TiNDLE is plant-based, nut free and contains no milk ingredients. But it does contain soy and gluten

WHAT IS METHYLCELLULOSE?

Methylcellulose is a culinary binder derived from cellulose, found in plants. Think of it as a plant-based egg white!

INGREDIENT LIST#

Water, Texturised Protein (Soy, Wheat Gluten, Wheat Starch), Lipi™ (Sunflower Oil, Natural Flavoring), Coconut Oil, Methylcellulose, Oat Fibre
