

EVERYTHING YOU NEED TO KNOW ABOUT TiNDLE

TiNDLE is a mind-blowing meat experience made from plants that's ridiculously good. As team members who interact with customers every day, the answers below will help you with any questions they may have.

WHAT IS TiNDLE?

TiNDLE is chicken, made from plants that smells and tastes unbelievably like chicken.

GIVE ME REASONS WHY I SHOULD TRY TiNDLE?

It's delicious.

It tastes just like chicken.

It's made for people who love meat.

It has all the protein of chicken but has zero cholesterol, no hormones and antibiotics.

WHY DOES IT TASTE SO MUCH LIKE CHICKEN?

TiNDLE is made with Lipi™: a unique blend of all-natural plant-based fats & flavour that recreates the taste and aroma of chicken.

WHAT'S IN IT?

TiNDLE is made with mainly water, soy, coconut oil and the magic ingredient – Lipi™.

IS IT NUTRITIOUS?

Every 100g of TiNDLE contains 17g of protein, which is comparable to that of chicken. What's more, it doesn't contain any cholesterol.

IS IT VEGAN?

Even though it's made with meat-lovers in mind, anyone and everyone can enjoy TiNDLE.

* Note: the team should check with the kitchen to see if the whole dish is vegan – that it does not include any other animal products such as butter or cheese.
